NEWS FROM ISLE OF MAUI

New Spreckelsville Mill Being Built.

SERIOUS ACCIDENTS TO JAPANESE

The Lahaina Road Board Appeals to the Department of Public Works.

MATT, April 13.—The erection of the new Spreckelsville mill is progressing rapidly. Two tall black smokestacks can now be seen all over Central Maui and the foundations and a portion of the walls of the main mill have been put in place. Two large cane houses have also been finished. It is anticipated that this mill, which will be the largest institution of its kind in the Territory, will be completed by Jan. 1, 1902. J. N. S. William, the well known constructing engineer, has charge of the work.

During Saturday, the 6th, two serious accidents took place on Paia plantation. In a field not far from the mill a Japanese laborer, fell under the wheels of a moving train and four empty cane cars passed over his chest and abdomen. Badly wounded and bruised, he was taken to the plantation hospital.

At midnight of the same day in the mill a container filled with sulphuric acid burst in the face of another Japanese employee. Blinded with the acid and frantic with pain he also was taken to the hospital. The condition of both men is critical.

C. E. Haynes, the new head-carpenter at Hamakua plantation, will pull down all the old laborers' quarters and construct new houses of tongue and groove lumber.

The new Maui Hotel at Wailuku opened its restaurant on the 8th. The drug store however has not yet received its stock of medicines, etc.

Tonight, the 13th, at Wailuku Court House the Maui Racing Association will hold its annual meeting.

Rev. Mr. Russell, assistant to Mr. F. W. Damon, preached the Easter sermon at the Paia Foreign church on Sunday, the 7th. The pulpit was beautifully decorated with calla lilies.

Last night, the 12th, Makaehe Kalamia, the adopted daughter of Mrs. S. K. Kalamia, died at Makawao. She was about eighteen years old and was born and bred in Makawao. Makaehe possessed a beautiful voice and often charmed her friends with her fine singing. She was much esteemed because of her amiability. Deputy Sheriff Sam'l E. Kalamia is her brother. The funeral will take place tomorrow, the 14th.

During last evening, the 12th, the Makawao Debating Club met in the parlors of the Paia Foreign Church and held an interesting debate concerning the following: "Resolved, that capital punishment should be abolished." Messrs. W. E. Beckwith and E. B. Carley led in the affirmative and won the vote of the audience against the negative side led by Messrs. Jones and D. C. Lindsay. There was a good attendance of members and spectators. The subject chosen for next meeting is, "Resolved, that the Dispensary Bill as presented to the Hawaiian Senate should become the law of the Territory."

A large catch of fish, akules, was made at Kahului on the 8th.

The members of Makawao Polo Club who will take part in the coming match game are to be conveyed to and from Honolulu at half-rates. The Wilder Steamship Co. believe in encouraging sport.

Doctor and Mrs. Sabey, formerly of Spreckelsville, are now residents of Paia. Mrs. Sabey is principal of the Spreckelsville school.

Awana has recently built a rice-cleaning mill on his premises at Makawao. Mrs. Collins and son have been guests at W. J. Lowrie's, Spreckelsville.

Mrs. Cox, her little son, and Miss Laura Wells of Wailuku, departed last Saturday, the 6th, for a trip to Philadelphia. Miss Wells is to consult with an oculist.

F. A. Alexander is the new head-lund of Hamakua plantation taking the position left vacant by B. D. Baldwin who has accepted the assistant management at Spreckelsville.

George Wilbur has taken Mr. Alexander's recent position at Kaluanui.

The B. D. Baldwins remove to Spreckelsville during the first of next week. They will be much missed from Hamakua.

Mrs. W. J. Lowrie and Miss Clara Lowrie are expected home today from San Francisco.

Next week Mr. and Mrs. L. von Tempky and two daughters of Makawao will depart for the Coast. They intend to extend their trip to Canada and will be absent several months.

By the same steamer Manager D. C. Lindsay of Paia will depart for Scotland. He intends to be gone four or five months.

Mr. and Mrs. H. A. Baldwin of Hamakua have been at Los Angeles and are now at Lake Tahoe.

Weather: Warm and pleasant.

WEEK'S EVENTS AT LAHAINA

LAHAINA, April 12.—The recently organized Lahaina Club occupies pleasant rooms in the cottage opposite the Pioneer mill. A good supply of reading matter will soon be upon the tables. Officers have been elected as follows: President, L. Barkhausen; vice president and manager, W. Henning; secretary and treasurer, A. Aal-

berg; directors, Charles Springer, L. Barkhausen, W. Henning, A. Aalberg and J. E. Gannon.

The Chinese jeweler has moved into new quarters, and has enlarged his stock of clocks and watches.

Several prominent citizens of Lahaina enjoyed a fishing excursion on Tuesday.

The Wireless Telegraph Company has more than once favored the citizens of Lahaina with free public messages, relating to important events. The news of Aguinaldo's capture was sent to this city shortly after the intelligence was received in Honolulu.

Immediately after the death of Mrs. Elizabeth Kalai Richardson, a message announcing the sad event was sent from Honolulu to Colonel John Richardson in Lahaina. Receiving this timely telegram, the relatives were enabled to make preparations for the funeral. Miss Rowena Richardson is one of the teachers in Lahaina school.

Another Chinese store will soon be built on the waterfront. During the last three months a number of new stores have been opened in Lahaina, and they are all enjoying a fair amount of custom.

Mr. Henry Dickenson, principal of the Lahaina school, has been spending his vacation at Wailuku, and at other places on the other side of the island.

Miss Anne Z. Hadley and other teachers have been visiting friends in Honolulu.

Captain Bamberg, of the Wailuku Salvation Army Corps, held an open air meeting in Lahaina on Wednesday evening. The captain receives religious papers in the Japanese language, from his friends in Japan, and distributes them among the Japanese in Lahaina.

A few years ago the gardens in this town were well supplied with plants in bloom. But it was soon discovered that, owing to the nature of the soil and water, horticulture was a difficult undertaking. Plants succeed better in pots and boxes, than in garden plots. As water of good quality can now be secured at the center of town, some lovers of flowers have sent to the Mainland for an assortment of seeds. The hibiscus, sinensis and the lantana flourish here in places where they receive no care.

A schooner with a large cargo of lumber arrived here this morning. Half of the load is consigned to the Pioneer Mill Company, and the remainder to Mr. Olsen.

The Lahaina road board will hold a meeting at the courthouse on Saturday morning.

Policemen are on the lookout for all unlicensed dogs in this district.

It is expected that the first session of the Lahaina kindergarten will be held on Monday morning. The next term of the other public schools will commence on the same day.

A meeting of the Lahaina road board was held at the courthouse this (Saturday) morning at 11 o'clock. Matt McCann, the president of the board, was in the chair, and F. Kohler was secretary. The minutes of the last meeting were read and approved.

The attention of the board was called to the condition of the public road at a place called Mala, about two miles north of the village. The Pioneer Mill Company's railroad track crosses the street more than once, and in the opinion of some parties the passing of trains is dangerous to public travel.

After brief remarks by Judge Kahaulio and several other gentlemen, it was deemed advisable that Manager Barkhausen, of the Pioneer Mill Company, should be present. A motion was adopted that Secretary Kohler send a note to Mr. Barkhausen, requesting his presence at the afternoon session of the board, and asking him to bring maps or plans which might throw light upon the subject. Adjourned until 3:30 p. m.

At the afternoon session the chairman stated that it was impossible for Manager Barkhausen to be present. Remarks in the Hawaiian language were interpreted by Senator White. The clerk of the board was instructed to send a communication to the Superintendent of Public Works, but members of the board are unwilling to give the contents of the communication to the public at this time. Adjourned, subject to the call of the chairman.
